WHEREAS an emergency has arisen which makes it necessary to provide for preventing the disposal or concealment of money or other property procured by means of certain offences punishable under the Indian Penal Code;

1. Short title, extent and commencement.—(*1*) This Ordinance may be called the Criminal Law Amendment Ordinance, 1944.

(*2*) It extends to the whole of British India, and applies also to British subjects and servants of the Crown in any part of India and to British subjects who are domiciled in any part of India wherever they may be.

2. Interpretation.—(*1*) In this Ordinance, "scheduled offence" means an offence specified in the Schedule to this Ordinance.

(*2*) For the purposes of this Ordinance the date of the termination of criminal proceedings shall be deemed to be—

3. Application for attachment of property.—(*1*) Where the Provincial Government has reason to believe that any person has committed (whether after the commencement of this Ordinance or not) any scheduled offence, the Provincial Government may, whether or not any Court has taken cognizance of the offence, authorise the making of an application to the District Judge within the local limits of whose jurisdiction the said person ordinarily reside or carries on his business, for the attachment under this Ordinance of the money or other property which the Provincial Government believes the said person to have procured by means of the offence, or if such money or other property cannot for any reason be attached, of other property of the said person of value as nearly as may be equivalent to that of the aforesaid money or other property.

(*2*) The provisions of Order XXVII of the First Schedule to the Code of Civil Procedure, 1908 (Act V of 1908), shall apply to proceedings for an order of attachment under this Ordinance as they apply to suits by the Crown.

(*2*) At the same time as he passes an order under sub-section (*1*), the District Judge shall issue to the person whose money or other property is being attached a notice, accompanied by copies of the order, the application and affidavits and of the evidence, if any, recorded, calling upon him to show cause on a date to be specified in the notice why the order of attachment should not be made absolute.

(*3*) The District Judge shall also issue notices, accompanied by copies of the documents accompanying the notice under sub-section (*2*), to all persons represented to him as having, or being likely to claim, any interest or title in the property of the person to whom notice is issued under the said sub-section, calling upon each such person to appear on the same date as that specified in the notice under the said sub-section and make objection if he so desires to the attachment of the property or any portion thereof on the ground that he has an interest in such property or portion thereof.

(*4*) Any other person claiming an interest in the attached property or any portion thereof may, notwithstanding that no notice has been served upon him under this section, make an objection as aforesaid to the District Judge at any time before an order is passed under sub-section (*1*) or sub-section (*3*), as the case may be, of section 5.

5. Investigation of objections to attachment.—(*1*) If no cause is shown and no objections are made under section 4 on or before the specified date, the District Judge shall forthwith pass an order making the *ad interim* order of attachment absolute.

(*2*) If cause is shown or any objections are made as aforesaid, the District Judge shall proceed to investigate the same, and in so doing, as regards the examination of the parties and in all other respects he shall, subject to the provisions of this Ordinance, follow the procedure and exercise all the powers of a Court in hearing a suit under the Code of Civil Procedure, 1908 (Act V of 1908); and any person making an objection under section 4 shall be required to adduce evidence to show that at the date of the attachment he had some interest in the property attached.

(*3*) After investigation under sub-section (*2*), the District Judge shall pass an order either making the *ad interim* order of attachment absolute or varying it by releasing a portion of the property from attachment or withdrawing the order:

Provided that the District Judge shall not—

(*a*) release from attachment any interest which he is satisfied that the person believed to have committed a scheduled offence has in the property, unless he is also satisfied that there will remain under attachment an amount of the said person's property of value not less than that of the property believed to have been procured by the said person by means of the offence, or

(*b*) withdraw the order of attachment unless he is satisfied that the said person has not by means of the said offence procured any money or other property.

6. Attachment of property of mala fide transferees.—(*1*) Where the assets available for attachment of a person believed to have committed a scheduled offence are found to be less than the amount or value which he is believed to have procured by means of such offence, and where the District Judge is satisfied, by affidavit or otherwise, that there is reasonable cause for believing that the said person has, after the date on which the offence is alleged to have been committed, transferred (whether after the commencement of this Ordinance or not) any of his property otherwise than in good faith and for consideration, the District Judge may by notice require any transferee of such property (whether or not he received the property directly from the said person) to appear on a date to be specified in the notice and show cause why so much of the transferee's property as is equivalent to the proper value of the property transferred should not be attached.

(*2*) Where the said transferee does not appear and show cause on the specified date, or where after investigation in the manner provided in sub-section (*2*) of section 5, the District Judge is satisfied that the transfer of the property to the said transferee was not in good faith and for consideration, the District Judge shall order the attachment of so much of the said transferee's property as is in the opinion of the District Judge equivalent to the proper value of the property transferred.

7. Execution of orders of attachment.—An order of attachment of property under this Ordinance shall be carried into effect so far as may be practicable in the manner provided in the Code of Civil Procedure, 1908 (Act V of 1908), for the attachment of property in execution of a decree.

8. Security in lieu of attachment.—Any person whose property has been or is about to be attached under this Ordinance may at any time apply to the District Judge to be permitted to give security in lieu of such attachment, and where the security offered and given is in the opinion of the District Judge satisfactory and sufficient, he may withdraw or, as the case may be, refrain from passing, the order of attachment.

9. Administration of attached property.—(*1*) The District Judge may, on the application of any person interested in any property attached under this Ordinance and after giving the agent of the Provincial Government an opportunity of being heard, make such orders as the District Judge considers just and reasonable for—

(*a*) providing from such of the attached property as the applicant claims an interest in, such sums as may be reasonably necessary for the maintenance of the applicant and of his family, and for the expenses connected with the defence of the applicant where criminal proceedings have been instituted against him in any Court for a scheduled offence;

(*b*) safeguarding so far as may be practicable the interests of any business affected by the attachment, and in particular, the interests of any partners in such business.

(2) Where it appears to the District Judge to be just and convenient, he may by order appoint a receiver to manage any property attached under this Ordinance in accordance with such instructions as the District Judge may from time to time think fit to give; and where a receiver is so appointed, the provisions of rules 2, 3, 4 and 5 of Order XL of the First Schedule to the Code of Civil Procedure, 1908 (Act V of 1908), shall be applicable.

10. Duration of attachment.—An order of attachment of property under this Ordinance shall, unless it is withdrawn earlier in accordance with the provisions of this Ordinance, continue in force—

(a) where no Court has taken cognizance of the alleged scheduled offence at the time when the order is applied for, for three months from the date of the order under sub-section (1) of section 4 or sub-section (2) of section 6, as the case may be, unless cognizance of such offence is in the meantime so taken, or unless the District Judge on application by the agent of the Provincial Government thinks it proper and just that the period should be extended and passes an order accordingly; or

(b) where a Court has taken cognizance of the alleged scheduled offence whether before or after the time when the order was applied for until orders are passed by the District Judge in accordance with the provisions of this Ordinance after the termination of the criminal proceedings.

11. Appeals.—(1) The Provincial Government or any person who has shown cause under section 4 or section 6 or has made an objection under section 4 or has made an application under section 8 or section 9, if aggrieved by any order of the District Judge under any of the foregoing provisions of this Ordinance, may appeal to the High Court within thirty days from the date on which the order complained against was passed.

(2) Upon any appeal under this section the High Court may, after giving such parties as it thinks proper an opportunity of being heard, pass such orders as it thinks fit.

(3) Until an appeal under this section is finally disposed of by the High Court, no Court shall, otherwise than in accordance with the provisions of section 8 or section 13, order the withdrawal or suspension of any order of attachment to which the appeal relates.

12. Criminal Courts to evaluate property procured by scheduled offences.—(1) Where before judgment is pronounced in any criminal trial for a scheduled offence it is represented to the Court that an order of attachment of property has been passed under this Ordinance in connection with such offence, the Court shall, if it is convicting the accused, record a finding as to the amount of money or value of other property procured by the accused by means of the offence.

(2) In any appeal or revisional proceedings against such conviction, the appellate or revisional Court shall, unless it sets aside the conviction, either confirm such finding or modify it in such manner as it thinks proper.

(3) In any appeal or revisional proceedings against an order of acquittal passed in a trial such as is referred to in sub-section (1), the appellate or revisional Court, if it convicts the accused, shall record a finding such as is referred to in that sub-section.

13. Disposal of attached property upon termination of criminal proceedings.—(1) Upon the termination of any criminal proceedings for any scheduled offence in respect of which any order of attachment of property has been made under this Ordinance or security given in lieu thereof, the agent of the Provincial Government shall without delay inform the District Judge, and shall where criminal proceedings have been taken in any Court, furnish the District Judge with a copy of the judgment or order of the trying Court and with copies of the judgments or orders, if any, of the appellate or revisional Courts thereon.

(2) Where it is reported to the District Judge under sub-section (1) that cognizance of the alleged scheduled offence has not been taken or where the final judgment or order of the criminal Courts is one of acquittal, the District Judge shall forthwith withdraw any orders of attachment of property made in connection with the offence, or where security has been given in lieu of such attachment, order such security to be returned.

(3) Where the final judgment or order of the criminal Courts is one of conviction, the District Judge shall order that from the property of the convicted person attached under this Ordinance or out of the security given in lieu of such attachment, there shall be forfeited to His Majesty such amount or value as is found in the final judgment or order of the criminal Courts in pursuance of section 12 to have been procured by the convicted person by means of the offence, together with the costs of attachment as determined by the District Judge: and where the final judgment or order of the criminal Courts has imposed or upheld a sentence of fine on the said person (whether alone or in conjunction with any other punishment), the District Judge may order, without prejudice to any other mode of recovery, that the said fine shall be recovered from the residue of the said attached property or of the security given in lieu of attachment.

(4) Where the amounts ordered to be forfeited or recovered under sub-section (3) exceed the value of the property of the convicted person attached, and where the property of any transferee of the convicted person has been attached under section 6, the District Judge shall order that the balance of the amount ordered to be forfeited under sub-section (3) together with the costs of attachment of the transferee's property as determined by the District Judge shall be forfeited to His Majesty from the attached property of the transferee or out of the security given in lieu of such attachment; and the District Judge may order, without prejudice to any other mode of recovery, that any fine referred to in sub-section (3) or any portion thereof not recovered under that sub-section shall be recovered from the attached property of the transferee or out of the security given in lieu of such attachment.

(5) If any property remains under attachment in respect of any scheduled offence or any security given in lieu of such attachment remains with the District Judge after his orders under sub-sections (3) and (4) have been carried into effect, the order of attachment in respect of such property remaining shall be forthwith withdrawn, or as the case may be, the remainder of security returned, under the orders of the District Judge.

14. Bar to other proceedings.—Save as provided in section 11 and notwithstanding anything contained in any other law,—

(a) no suit or other legal proceeding shall be maintainable in any Court—

(i) in respect of any property ordered to be forfeited under section 13 or which has been taken in recovery of fine in pursuance of an order under that section, or

(ii) while any other property is attached under this Ordinance, in respect of such other property,—

by any person upon whom a notice has been served under section 4 or section 6 or who has made an objection under sub-section (4) of section 4; and

(*b*) no Court shall, in any legal proceedings or otherwise, pass any decree or order other than a final decree in a suit by a person not being a person referred to in clause (*a*), which shall have the effect of nullifying or affecting in any way any subsisting order of attachment of property under this Ordinance, or the right of the District Judge to hold security in lieu of any such order of attachment.

15. Protection of action taken.—No suit, prosecution or other legal proceedings shall lie against any person for anything in good faith done or intended to be done in pursuance of this Ordinance.

DEPARTMENT OF AGRICULTURE, BENGAL.

FINAL FORECAST OF THE JUTE CROP OF BENGAL, 1944.

[NOTE.—**On an average of the five years ending 1942-43, the areas under Jute in the Province of Bengal and the Bengal States to which this forecast relates, represent some 80·7 and 1·5 per cent. respectively to the total area under jute in India.**]

Season.—Drought and a weak monsoon protracted the sowings at places and adversely affected the growth of the young plants. Subsequent showers, however, did much good particularly to the late sown crop and improved the general prospects considerably.

Condition of the Crop.—The crop has been generally fair.

Area.—The area under jute of 1,694,355 acres is the licensed area after elimination of the lands for which license was issued but which were not actually sown as disclosed on an examination of the jute lands under section 14 of the Bengal Jute Regulation Act.

Outturn.—As in the previous years the percentage figures are calculated on the basis of the divisional normals which remain as follows:—

	Bales per acre.
Dacca and Chittagong Divisions	... 3·7
Rajshahi Division	... 3·5
Presidency and Burdwan Divisions	... 3·2

The total outturn of the crop is estimated at 4,894,940 bales of 400 lbs. each for the province.

Director of Agriculture, Bengal.

DEPARTMENT OF AGRICULTURE, BIHAR.

FINAL FORECAST OF THE JUTE CROP OF BIHAR, 1944.

[NOTE.—**On an average of the five years ending 1942-43, the area under jute, to which the Bihar forecast relates, has represented some 7·6 per cent. of the total area under jute in India.**]

Acreage.—The final returns of the six jute-growing districts in the Province show that the area under jute is 162,900 acres as compared with 202,300 acres last year. The decrease in area is mainly due, as already stated in the Preliminary Forecast, to greater areas having been put under food crops in Purnea.

Weather conditions.—In March rainfall was sufficient and above the normal in all the jute districts. In April also above the normal rain fell everywhere except in the principal jute district of Purnea where it was below it. In May rainfall was below the normal everywhere. In June although it was above the normal in Champaran, Muzaffarpur, Darbhanga and Bhagalpur, it was below the normal in Purnea and the Santal Parganas. In July again rainfall was below the normal in all districts except the Santal Parganas.

Outturn.—The deficient rainfall in Purnea had the adverse effect of reducing the outturn of the crop from 60 per cent. of the normal in the last year to 40 per cent. in the year under report. The outturns in Champaran, Muzaffarpur, Darbhanga, Bhagalpur and the Santal Parganas, however, remain at 90, 65, 66, 65 and 67 per cent., respectively, of the normal.

Accordingly I estimate that the outturn this year will be 42 per cent. of the normal as compared with 61 per cent. last year. Taking the normal outturn to be 3⅓ bales per acre, the gross outturn from 162,900 acres will be 230,200 bales, compared with 410,500 bales last year. Adding to this 14,500 bales representing the probable import from Nepal, the forecast figure for Bihar comes to 244,700 bales.

FINAL FORECAST OF THE JUTE CROP OF ORISSA, 1944-45.

[NOTE.—**On an average of the five years ending 1942-43, the area under jute in the territory to which this forecast relates, represents about 0·7 per cent. of the total area under jute in India.**]

Acreage.—The crop is mainly grown in district Cuttack. In other two districts, Balasore and Puri, it is cultivated to a small extent. The total area sown is estimated at 23,900 acres against 23,800 acres in the preceding year.

Character of the season.—The weather was favourable everywhere except in district Puri where it was not so at the time of sowing. In district Cuttack the crop was damaged to some extent by high and continuous floods. The condition of the crop was on the whole fair.

Outturn.—The total outturn of the Province is estimated at 63 per cent of the normal against 84 per cent. in the preceding year. On the basis of 3½ bales as the standard yield per acre, the gross yield of the Province this year comes to 48,974 bales against 66,447 bales in the preceding year.

DEPARTMENT OF AGRICULTURE, ASSAM.

FINAL FORECAST OF THE JUTE CROP OF ASSAM, 1944.

[NOTE.—**On the average of the five years ending 1942-43, the area under jute in Assam to which this forecast relates has represented some 9·2 per cent. of the total area under jute in British India.**]

1. **Character of the season.**—As already stated in the Preliminary Forecast the weather was favourable in the beginning on the whole. But later on the weather became unfavourable in all the districts and affected the growth of the crop. The heavy and continuous rainfall in Goalpara and Sibsagar districts checked the growth of the crop to a considerable extent. Local floods and insects also caused some damage in certain districts.

2. **Area sown.**—The total area under the crop as estimated by the Deputy Commissioners comes to 148,900 acres against last year's actual area of 231,200 acres and 152,000 acres shown in the Preliminary Forecast of this year. The Final Forecast from Kamrup, Darrang and Garo Hills have not been received and so the Preliminary Forecast figures have been repeated. The area reported in the Preliminary Forecast has been revised in four districts.

3. **Outturn.**—The outturn per acre has been estimated to be 52 per cent. of the normal against 50 of last year. On the basis of the normal yield of 3·3 bales of 400 lbs. each per acre, the total production of the Province is 250,300 bales against 383,800 bales (revised on the basis of actual area) of last year or a decrease of 35 per cent.

Director of Agriculture, Assam.

District.	Estimated normal area under jute.	Estimated area under jute.		Estimated outturn as a percentage of the normal yield per unit of area.		Estimated total yield in bales of 460 lbs. each. 1	2	3	4	5	6	7	8	9	10
	Acres.	Acres.	Acres.			Bales.	Bales.		
Cachar (Plains) ..	800	200	200	70	75	1,000	500	Middle of August. Normal.	The decrease in area is due to unfavourable weather at the sowing time and substitution of paddy for jute. Due to unfavourable weather condition the outturn is anticipated to be below the normal.
Sylhet ..	40,200	35,200	24,200	50	65	63,400	56,600	First week of August. Normal.	The decrease in area is due to conversion of some jute lands into paddy fields owing to low price of jute, and also Grow More Food campaign. The weather was not favourable for the growth of the crop. Flood also caused damage in places. These account for the very low estimated outturn.
Goalpara ..	90,000	65,000	48,500	45	40	87,800	58,200	First week of July. Normal.	The decrease in area is due partly to low price of jute and partly to unfavourable weather condition at sowing time. The weather was not favourable for the growth of the crop. Heavy and continuous rainfall also damaged the crop. The outturn is expected to fall below normal for the above reasons.
Kamrup ..	61,000	51,500	30,000*	65	65	113,800	66,300	Middle of August. Normal.	The decrease in area is due to low price of jute and also due to Grow More Food campaign. The weather was, on the whole, not favourable and so the outturn is anticipated to below.
Darrang ..	21,600	18,900	10,200*	35	40	23,200	14,300	Middle of July. Normal.	The decrease in area is due to low prices of jute and Grow More Food crops. The weather was not favourable for the growth of crop due to heavy and continuous rainfall. Some damage has been caused by insects. The outturn is expected to fall far below the normal.

Nowgong ..	70,000	49,000	26,400	45	45	71,400	36,000	First week of July. Normal.	The decrease in area is due to increase in area under autumn rice in place of jute land and low price of jute. The weather was not favourable for the growth of crop. Heavy rainfall followed by drought and slight damage done to the crop by insects caused the outturn to be below the normal.
Sibsagar ..	700	1,200	1,300	70	60	2,000	2,000	First week of August. Normal.	The slight increase in area is due to growers' anticipation of better price of jute. The weather was not favourable for the growth of the crop due to heavy rainfall. Some damage to the crop has been done by floods in low-lying areas. For the reasons stated above the outturn is expected to fall below normal.
Lakhimpur ..	3,000	4,500	2,700	65	75	11,700	8,100	Middle of July. Normal.	The decrease in area is due to unfavourable weather condition at sowing time. The weather was not so favourable for the growth of the crop. The outturn is expected to be about normal.
Garo Hills (Plains)	6,200	5,100	5,400*	45	45	9,500	8,300	Last week of July. Normal.	The decrease in area is due to Grow More Food Campaign, low price of jute and increased cultivation of more food crops. The weather was not favourable for the growth of the crop and the outturn is anticipated to be low.
Total ..	293,000	231,200	148,900	50	52	383,800	250,300		

*Final forecast not received from District Officers. Preliminary forecast figures repeated.

DEPARTMENT OF AGRICULTURE, BENGAL

Calcutta, the 4th October 1944.

Preliminary Forecast of the Bhadoi Crops of Bengal for 1944-45.

(Note.—On an average of five years ending 1942-43, the area under autumn rice in Bengal has represented some 7·8 per cent. of the total area under rice in India).

Character of the season.—The season has not been quite favourable. Drought and a weak monsoon delayed sowings and adversely affected the growth of the crops. Subsequent rain-fall however improved the prospects and a fair outturn is anticipated.

Acreage.—The total area sown with different *Bhadoi* crops this year is reported to be 8,873,800 acres as against 8,727,000 and 8,783,000 acres respectively in the corresponding and final forecasts of last year. Of this, the area under autumn rice is estimated at 8,016,500 acres as against

7,935,100 and 7,912,100 acres respectively in the corresponding and final forecasts of last year.

Outturn.—According to the District Officers' estimates, the outturn of the different *Bhadoi* crops for the Presidency works out at 82 per cent. of the normal this year as against 90 and 95 per cent. respectively in the corresponding and final forecasts of last year.

The outturn of autumn rice as estimated by the District Officers works out to 82 per cent. of the normal for the province this year as against 91 and 96 per cent. respectively in the corresponding and final forecasts of last year.

M. CARBERY,
Director of Agriculture, Bengal.

A. AHMAD, Personal Assistant,

for Director of Agriculture, Bengal.

Calcutta, the 10th October 1944.

Resolution on the reports of the Chief Engineer, Public Health and of the Sanitary Board, Bengal, for the year 1942.

GOVERNMENT OF BENGAL.

Department of Public Health and Local Self-Government.

Public Health.

RESOLUTION—No. 2080P.H.

Calcutta, the 4th October 1944.

Read the reports of the Chief Engineer, Public Health, and of the Sanitary Board, Bengal, for the year 1942.

1. The Engineering Branch of the Public Health Department maintained its usual standard of efficient administration though the volume of the work of the department was considerably increased in connection with the Civil Defence and A. R. P. schemes and A. R. P. tubewell schemes in Calcutta.

2. The total capital expenditure on waterworks and sewerage works in the province, during the year under review amounted to Rs. 3,85,029 and Rs. 56,678 respectively against Rs. 3,45,959 and Rs. 81,176 in the previous year.

The total estimated cost of the schemes prepared by the Engineering Branch during the year was Rs. 22,40,269 as detailed below compared to Rs. 34,73,560 during the previous year:—

		Rs.
Sketch projects.		
Water-supply	...	10,42,304
Drainage and sewerage	...	7,13,100
		17,55,404
Detailed projects.		
Water-supply	...	1,28,100
Drainage and sewerage	...	3,17,755
		4,45,855
Miscellaneous	...	39,010
		22,40,269

Nine works of Sanitary Engineering were executed under the supervision and control of the department during the year under review. Besides, the Department also continued to maintain the Kalimpong water-supply and the Maijdi drainage and waterworks throughout the year.

The receipts of the department during the year amounted to Rs. 23,834 as against Rs. 12,779 in the previous year. Due to war conditions certain schemes of local bodies and other departments of Government were postponed; consequently the amount of fees was small.

3. There were 52 waterworks in operation during the year which supplied 20,701,173 gallons of filtered water daily to a total population of 1,879,816. The quality of water was satisfactory.

4. Besides the necessary routine duties which are to be carried out by the department under the rules regulating the management of sewerage and waterworks, the departmental officers periodically inspected the various municipal waterworks and drainage works as usual. The department also rendered valuable assistance in the shape of advice and suggestions to some other departments of Government.

5. Owing to restrictions on booking by railways, the tube-well materials purchased by the department for tube-wells in rural areas out of the rural water-supply grant of 1941-42 could not in many cases arrive at their destinations in good time for completion of the sinking of the allotted number of tube-wells within the year. This necessitated sinking of a good number of tube-wells to be left over for completion during the next year. In certain districts a considerable portion of the tube-well materials had to be made over to the military department for urgent military works and some of the materials were also utilised in providing tube-wells in evacuees' camps. In view of the scarcity of the materials and the abnormal rise in the prices thereof no fresh allotments was made for sinking tube-wells except a grant of Rs. 1 lakh only for the construction of approved types of water-supply works other than tube-wells such as concrete wells, masonry wells, etc., in particular districts where the need for provision of water-supply was extremely urgent. The total amount spent by the department in connection with rural water-supply was Rs. 3,48,935 during the year.

6. The total number of tube-wells sunk up to the end of the year under review in the area of Calcutta Corporation as an A.R.P. measure was 2,497 of which 1,521 were sunk in 1941. It is to be regretted that so many pumps were always out of order, either through damage caused by reckless driving of motor vehicles or through theft of the pump or parts of the pump. The co-operation of the public is urgently necessary for their proper preservation, both for discouraging and decrying such anti-social tendencies and for promptly reporting cases of damage caused. With this end in view the Publicity Department is proposed to be requested to include as one of their subject matters to propagate among the public the necessity of the Calcutta A.R.P. tube-wells in time of emergency.

The A.R.P. Division which was created in August 1941 examined and supervised the execution of various Civil Defence schemes of the local bodies at different stages of progress. They were also engaged in executing a number of schemes for an independent water-supply to hospitals, Government buildings, etc.

The total expenditure incurred by the department on A.R.P. and Civil Defence schemes during the year amounted to Rs. 86,129.

7. The Sanitary Board held three meetings during the year under review and considered six projects of sanitary engineering before forwarding them to Government for sanction. The Board also considered and recorded the inspection reports on the municipal waterworks at Chittagong, Comilla, Narayanganj and Baranagar-Kamarhati drawn up by the Executive Engineers, Public Health, Bengal.

8. The Board considered the reports of the Nutrition Committee and recommended a grant of Rs. 2,000 annually for meeting contingent expenses of the sub-commitee. The Board also considered the proceedings of the 11th meeting of T. B. Sub-Committee as well as the proceedings of the first meeting of the Drainage Sub-Committee.

The Board resolved to request Government in future to consult the Sanitary Board in framing health policies and programmes and in preparing budget estimates for sanitary schemes.

DEPARTMENT OF AGRICULTURE, BENGAL

Calcutta, the 13th October 1944.

First Forecast of the Winter Rice Crop of Bengal, 1944-45.

(*Note.*—On an average of the five years ending 1942-43, the area under winter rice in Bengal has represented some 20·8 per cent. of the total area under winter rice in India.)

Character of the season.—Drought in the earlier part of the season adversely affected sowings and growth of broadcast aman and hampered the raising of aman seedlings. Good rainfall in July improved the condition all over the province and transplantation went on in full swing. Later, in August there was again a setback in the progress of transplantation and growth of the standing crop due to inadequate rainfall at places. Ample rainfall in September has, however, been beneficial to both transplantation and growth. The present outlook of the crop may be regarded as fair.

Acreage.—According to District Officers' estimates the total area under winter rice works out

at 18,325,200 acres, as against 17,872,200 acres, and 18,176,700 acres in the corresponding and final forecasts respectively of the last year.

Outturn.—From the district returns appended it will be seen that five districts report a normal outturn, eight districts from 90 to 95 per cent., six districts 80 to 88, four districts 75 and remaining four districts below 70 per cent. of the normal. According to the above estimates the provincial outturn anticipated is 85 per cent. as against 88 and 103 per cent. of the normal respectively in the first and final forecasts of last year.

Resolution reviewing the reports on the working of the Municipalities in Bengal during the year 1941-42.

RESOLUTION No. 1356M.

Calcutta, the 26th August 1944.

READ—

Reports of the Commissioners of Divisions on the working of the municipalities in Bengal (except Calcutta) during the year 1941-42.

1. **Constitution and boundaries.**—The number of municipalities remained the same (viz., 118) as in the preceding year; there was very slight variation in the limits of three municipal areas.

2. **Election.**—General elections were held in 59 municipalities of which 18 were in the Burdwan Division, 23 in the Presidency Division, 10 in the Dacca Division and 5 and 3 in the Rajshahi and the Chittagong Divisions, respectively. In six municipalities, viz., Chandrakona, Ramjibanpur, Khirpai and Kharar in the Midnapore district, Champdany in the Hooghly district and Brahmanbaria in the Tippera district, the general elections were entirely uncontested. In the other municipalities, the elections were generally well contested and aroused a good deal of interest among the rate-payers.

3. **Meetings.**—The total number of meetings held during the year under review was 2,989 against 2,894 meetings held in the preceding year. Out of this, 108 meetings failed for want of quorum and 313 meetings were adjourned as compared with 88 and 308 meetings respectively, in the preceding year. The Nabadwip Municipality again held the largest number of meetings, viz., 149 of which, however, 12 meetings failed for want of quorum, 37 were adjourned, and the attendance of commissioners at these meetings was not very satisfactory, only 50 per cent. of them attending on an average. The best record for attendance was that of the Panihati municipality which held 52 meetings with only two adjournments and an average attendance of 90 per cent. of the commissioners at these meetings. Six municipalities on the other hand, viz., Ramjibanpur in the Midnapore district, Kanchrapara, North Dum-Dum and Rajpur in the 24-Parganas, Kumarkhali in the Nadia district and Jamalpur in the Mymensingh district, failed to comply even with the statutory requirement of at least one meeting per month. The average percentage of attendance of commissioners at meetings was the highest (90 per cent.) at Panihati and the lowest (28 per cent.) at Rangpur.

4. **Population and rate-payers.**—The total population of municipal towns (outside Calcutta) according to the census of 1941 was 3,476,596 against 2,351,407 according to the previous census. Out of this total population, which represented 5·7 per cent. of the total population of the Presidency, only 415,526 or 12 per cent. were rate-payers. In as many as 29 municipalities, as compared with 11 in the preceding year, the rates were paid by less than 10 per cent. of the population. Of these 20 were in the Burdwan and the Presidency Divisions, comprised mostly of the riparian industrial municipalities with a large floating population of factory operatives, four, viz., Narayanganj, Mymensingh, Barisal and Faridpur, in the Dacca Division, one, viz., Chandpur, in the Chittagong Division and four, viz., Jalpaiguri, Rangpur, Darjeeling and Kurseong, in the Rajshahi Division.

5. **Rates and taxes.**—The total receipts from the municipal rates and taxes amounted to Rs. 84·78 lakhs against Rs. 85·77 lakhs in the preceding year. The incidence of taxation per head of population was Rs. 2-15-9 in the Burdwan Division, Rs. 2-2-1 in the Presidency Division, Rs. 2-1-4 in the Dacca Division and Rs. 2-5-6 and Rs. 2-14-3 in the Chittagong and the Rajshahi Divisions, respectively.

6. **Collections.**—The total collection of municipal rates fell from Rs. 82·60 lakhs to Rs. 82·10 lakhs representing 59 per cent. of the total demand as compared with 64·9 per cent. in the preceding year. The percentages of the current collection on the current demand and of the arrear collection on the arrear demand also fell from 73 to 70·8 and from 43·8 to 34, respectively.

The amount of total remissions increased from Rs. 7·46 lakhs to Rs. 8·25 lakhs representing 6 per cent. of the total demand against 5·3 per cent. in the preceding year. The amount of outstanding arrears also rose from Rs. 41·51 lakhs to Rs. 47·15 lakhs representing 49 per cent. of the current and 34 per cent. of the total demands as compared with 44·5 and 31·5 per cent. respectively, in the preceding year.

7. **Income and Expenditure.**—The total income of the municipalities, including opening balances, rose from Rs. 138·1 lakhs in the preceding year to Rs. 145·8 lakhs during the year under review. The total disbursements also increased from Rs. 118 lakhs to Rs. 127·5 lakhs leaving a total balance of Rs. 19 lakhs at the end of the year.

8. **Education.**—The total outlay on Public Instruction (including a contribution of Rs. 1·74 lakhs from Government) amounted to Rs. 8·36 lakhs as compared with Rs. 8·59 lakhs in the preceding year. The expenditure on primary education slightly increased from Rs. 6·62 lakhs to Rs. 6·70 lakhs representing 6·3 per cent. of

the total ordinary income of the municipalities during the year under review against 8·4 per cent. in the preceding year.

9. **Water-supply.**—The total expenditure on municipal water-supply rose from Rs. 11·29 lakhs to Rs. 14·59 lakhs of which a sum of Rs. 4·54 lakhs was spent on capital works and Rs. 10·05 lakhs on maintenance. The ratio of the expenditure under this head to the total ordinary expenditure (i.e., excluding expenditure under debt and extraordinary heads and expenditure from loans) was the highest, viz., 55 per cent. at Garden Reach, the Dum Dum and the Rajshahi municipalities coming next with an expenditure of 34·5 per cent. and 32·5 per cent, respectively. Other municipalities which devoted more than 20 per cent. of their total ordinary expenditure to this object were Chandpur (26·93 per cent.), Narayanganj (23·2 per cent.), Patuakhali (23·03 per cent.), Satkhira (21·5 per cent.), Uttarpara (20·85 per cent.) and Raniganj (20·8 per cent).

10. **Conservancy.**—The total outlay on the municipal conservancy services rose from Rs. 25·78 lakhs to Rs. 26·35 lakhs representing 24 per cent. of the total ordinary expenditure of the municipalities. The ratio was the highest at Titagarh, viz., 43·9 per cent. and was over 35 per cent. in ten other municipalities, viz., Santipur (40·2 per cent.), Jamalpur (38·9 per cent.), North Barrackpore (38·8 per cent.), Kandi (38·5 per cent.), Bogra (36·7 per cent.), Kumarkhali (36·2 per cent), Nabadwip (36·1 per cent.), Pabna (36·1 per cent.), Dinajpur (35·2 per cent.) and Netrokona (35·2 per cent.).

11. **Drainage.**—The expenditure on drainage fell from Rs. 4·48 lakhs to Rs. 4·04 lakhs of which Rs. 3·17 lakhs was spent on maintenance and the balance on capital works. With the exception of the municipalities of Titagarh, Serampore, and Kanchrapara which spent under this head 14·8, 14·3 and 10·78 per cent., respectively, of their total expenditure, the municipalities generally incurred a very small proportion of their total expenditure on drainage.

12. **Lighting.**—The expenditure on lighting increased from Rs. 8·36 lakhs in the preceding year to Rs. 10·68 lakhs during the year under review, the Darjeeling municipality alone being responsible for an increased expenditure of Rs. 2·28 lakhs.

13. **Public Health.**—During the year under review, the municipalities spent a sum of about Rs. 10 lakhs on medical relief and public health measures. This included an expenditure of Rs. 2·49 lakhs on account of the municipal Health Officers and Sanitary Inspectors, Rs. 5·40 lakhs spent on hospitals and dispensaries, Rs. 52,315 on vaccination and Rs. 1·58 lakhs on other sanitary measures. The corresponding figures of expenditure on these objects during the preceding year were Rs. 2·43 lakhs, Rs. 4·87 lakhs, Rs. 51,314 and Rs. 1·37 lakhs, respectively.

14. **Public Works.**—The expenditure on public works fell from Rs. 15·12 lakhs to Rs. 14·53 lakhs of which Rs. 2·47 lakhs represented expenditure on establishment, Rs. 1·19 lakhs on buildings, Rs. 10·81 lakhs on roads and Rs. 6,526 on stores. The total mileage of roads maintained by the municipalities rose from 3,181 to 3,249 of which 1,704 miles were metalled and 1,545 miles unmetalled.

The extract obtained by boiling one part of tea with 100 part by weight of distilled water for one hour is not less than 30 per cent. Draft notification.

In exercise of the powers conferred by clause (*a*) of sub-section (*2*) of section 24 of the Bengal Dentists Act, 1939 (Bengal Act XII of 1939), the Governor is pleased to make the following rules:—

Rules for the election of members of the Bengal Dental Board under clause (a) of sub-section (2) of section 24 of the Bengal Dentists Act, 1939, and of the Chairman of the said Board.

General.

1. In these rules unless there is anything repugnant in the subject or context:—

"Act" means the Bengal Dentists Act, 1939.
"Section" means a section of the Act.
"Rule" means a rule of these rules.
"Appendix" means the appendix to these rules.
"Returning Officer" means for the purpose of an election under clause (*a*) of sub-section (*2*) of section 4 the Registrar of the Bengal Dental Board and includes any officer deputed for the time being by the said Registrar to perform or assist him in his duties under these rules.

2. (*1*) The Returning Officer shall notify in the *Calcutta Gazette* and in such other manner as he may think fit, the fact of a general election being due, together with a programme of time for the various stages according to which it will be held.

(*2*) Such notification shall be published on a date not being less than forty-two days or more than seventy-five days before the date on which the term of office of the sitting members expires.

3. The Electoral Roll shall consist of a copy of the last published Annual List of Registered Dental Practitioners, corrected up to the date preceding the first day of the period fixed for receiving nomination papers. The roll thus prepared shall be open to inspection by the candidates for election or their authorised agents, in the office of the Bengal Dental Board.

A person whose name is not borne on the Electoral Roll shall not be entitled to participate in the election.

4. Nominations of candidates shall be made in Form A annexed to these rules and there shall be a proposer and a seconder. Every nomination paper shall be filled in fully in all particulars as stated in the form.

The proposer, the seconder and their nominee, shall be persons whose names are borne on the Electoral Roll referred to in rule 3.

A proposer or a seconder may propose or second more than one candidate, provided that the number does not exceed the number of seats for which the election is held and that a separate nomination paper is used for each candidate nominated.

5. On the date and at the time as fixed for the scrutiny of nomination papers by the notification under rule 2, or on such other subsequent date and time as may be fixed in that behalf by the Returning Officer, the Returning Officer shall examine all the nomination papers and decide which of them are in order and which are not. Nomination papers which do not comply with the requirements of rule 4, shall be rejected. If there be any objection by any candidate to the decision of the Returning Officer, it must be made forthwith, and the Returning Officer shall hear and decide such objection. The decision of the Returning Officer accepting or rejecting a nomination paper shall be final.

Every nominee for whom nomination paper has been received and one representative duly authorised by him in writing, or his proposer or seconder, shall be entitled to be present at the time of the scrutiny of the nominations.

6. A person who has been duly nominated may at any time before the scrutiny referred to in rule 5 or within three days thereafter, withdraw his candidature by notice in writing subscribed by him and delivered to the Returning Officer and thereupon he shall cease to be a nominee or a candidate for the election, as the case may be.

7. (*1*) If the number of candidates duly nominated be equal to the number of seats for

which the election is held, the Returning Officer shall declare such candidates as duly elected.

(2) If the number of candidates duly nominated be less than the number of seats for which the election is held, the Returning Officer shall also declare such candidates as duly elected: and forthwith report the remaining vacancy or vacancies to the Provincial Government for necessary action under sub-section (4) of section 4.

8. If the number of candidates duly nominated be greater than the number of seats for which the election is held, the Returning Officer shall proceed to obtain the votes of the constituency in the following manner:—

(1) The names of the candidates duly nominated shall be published by the Returning Officer in the *Calcutta Gazette* and in such other manner as he thinks fit.

(2) A voting paper in Form B annexed to these rules shall be issued to each person whose name is borne on the Electoral Roll referred to in rule 3, by registered post, according to the address reported up to the date preceding the first day of the period fixed for receiving nomination papers.

(3) A person whose name is borne on the Electoral Roll and whose voting paper has not already been despatched by post or having been despatched has been returned by the post office undelivered or whose voting paper has been lost or has been inadvertently spoilt in such manner that it cannot be conveniently used as such, may appear personally before the Returning Officer and make a statement to that effect to take his voting paper and the identification envelope or duplicate copies thereof, as the case may be, and the Returning Officer may, on being satisfied as to the facts of such statement and to his identity and on a receipt given by him, hand over his voting paper and the identification envelope or duplicate copies thereof, as the case may be, to such person.

(4) No duplicate of a voting paper shall be issued in any circumstances otherwise than under clause (3) and no election shall be invalidated by reason of the non-receipt by any elector of a voting paper.

(5) An identification envelope addressed to the Returning Officer shall be sent with every voting paper, and the elector shall place his voting paper in the identification envelope, and either hand it over to the Returning Officer, personally, or send it by post. Voting papers sent otherwise shall not be accepted.

(6) Voting papers received after the hour and date mentioned in the notification referred to in rule 2, or, as the case may be, after such other subsequent date as may be fixed by the Returning Officer, shall be rejected. Votes recorded in any paper or form other than the voting paper supplied, shall not be accepted.

(7) Each elector has as many votes as the seats for which the election is held; and he shall record his vote by putting a cross-mark in ink against the name of each of the persons for whom he votes and in the column provided for it in the voting paper (Form B). If he records votes for more persons than the seats for which the election is held, his voting paper shall be rejected.

Explanation.—An elector may record his votes for a lesser number of candidates than there are seats.

(8) A voting paper shall not be signed by the elector: nor shall he write or mark anything on a voting paper other than the cross-marks to indicate his votes. A voting paper in which votes have been recorded in contravention of this sub-rule shall be rejected.

(9) A voting paper in which a mark is placed in such a manner as to make it doubtful to which candidate the vote is given, or in which the elector has placed any mark whereby he may be afterwards identified, or in which an alteration or erasure occurs indicating a change of vote, shall be invalid and shall be rejected.

(10) The back of the identification envelope shall be filled up in all particulars mentioned in the form printed thereon. Identification envelopes not so filled up and the voting papers contained therein shall be rejected, and placed in a separate packet.

(11) The counting of the votes shall take place on the date and at the time and place fixed in the notification under rule 2 or on such other subsequent date as may be fixed in this behalf by the Returning Officer and the Returning Officer shall be present at the time of counting.

(12) Every candidate may be present in person or send one representative duly authorised by him in writing to watch the process of counting; and may inspect the identification envelopes, whether rejected or accepted, or the voting papers when taken out of the accepted envelopes: but shall not see an identifying envelope after the voting paper in it has been taken out.

(13) The Returning Officer shall decide on any objection that may be taken at the time of counting, regarding any identification envelope, or voting paper.

(14) When the counting of the votes has been completed, the Returning Officer shall declare the candidate having the largest number of votes as duly elected.

(15) When an equality of votes is found between two or more candidates, and the addition of a vote will entitle any of these candidates to be declared elected, the determination of the person or persons to whom such an additional vote shall be deemed to have been given shall be made by lot to be drawn in the presence of the Returning Officer and in such manner as he may determine.

9. On the completion of the counting of votes the Returning Officer shall report the result to the Provincial Government, for publication in the *Calcutta Gazette* under sub-section (5) of section 4 of the names of the persons who are duly elected.

10. In the case of an election under sub-section (4) of section 5, the same rules as laid down for a general election under clause (a) of sub-section (2) of section 4, shall apply except that sub-rule (2) of rule 2 shall not apply, and the notification referred to in sub-rule (1) of that rule, shall be published within two months of the occurrence of the vacancy; and except further that the election shall be only for the seat or seats that may have become vacant.

11. At least two months before the date on which the term of office of the members appointed under clause (b) of sub-section (1) of section 4 or elected under clause (b) of sub-section (2) of section 4 expires, the Registrar of the Bengal Dental Board shall inform the President of the Bengal Council of Medical Registration requesting him to arrange for an election under the latter clause, and the President shall, thereupon, proceed with the holding of the election accordingly in such manner as the President may think fit.

12. The name of the member or members elected under clause (b) of sub-section (2) of section 4 shall be forthwith intimated by the President of the Bengal Council of Medical Registration to the Provincial Government for publication in the *Calcutta Gazette*, under section 4(5).

13. In the event of a vacancy occurring amongst the members elected in the manner provided in rule 11 on the happening of any of the contingencies mentioned in sub-sections (1) and (2) of section 5, the Registrar of the Bengal Dental Board shall, within thirty days of the occurrence of the vacancy, inform the President of the Bengal Council of Medical Registration of such vacancy, and the President shall, thereupon, cause an election to be made in the same manner as laid down in the said rule 11.

14. As soon after the completion of a general election as possible, the Registrar of the Bengal Dental Board shall convene a meeting of the members elected for the purpose of electing a Chairman.

15. The members present at the meeting so convened shall elect one amongst them who is not a candidate for the office of Chairman to be the President for conducting the election of Chairman and the election of Chairman shall be held by ballots taken in such manner as the said President may determine.

15A. The election of the President of the meeting for election of Chairman shall be conducted by the Registrar of the Bengal Dental Board who shall have no vote, and in the case of equality of votes secured by two or more persons proposed as President the selection of one of them shall be decided by lot drawn in such manner as the Registrar may determine.

15B. The President of the meeting for election of Chairman shall not ordinarily exercise any vote but shall, in the case of an equality of votes, have and exercise a casting vote.

16. The proceedings of the meeting shall be signed by the President so elected for the meeting, and a copy of it together with the name of the member elected as Chairman shall forthwith be forwarded to the Provincial Government for publication of the name in the *Calcutta Gazette* under sub-section (*5*) of section 4.

16A. In the case of a casual vacancy occurring in the office of Chairman a fresh election shall be held in accordance with the provisions of rules 14 to 16.

17. The Provincial Government may, of its own motion, or on objection made within three months from the date of an election made under this rule, declare the election to be void on the ground of corrupt practice involving bribery, undue influence, personation, publication of false statements or the like and may direct a fresh election to be held in accordance with the provisions of these rules. The decision of the Provincial Government shall be final.

The Bengal Private Forests Bill, 1944.

(Clauses 4, 5.)

(2) On the expiry of the period mentioned in the notification under sub-section (1), the Regional Forest-officer shall, after considering each working plan submitted to him under that sub-section by an order in writing, accept the working plan or modify it in such manner as he may consider necessary or substitute another working plan for it.

(3) If any owner of such private forest does not submit a working plan within the period specified in the notification issued under sub-section (1) or signifies in writing to the Regional Forest-officer his unwillingness or inability to prepare a working plan, the Regional Forest-officer may prepare a working plan in respect of such forest.

(3) Nothing in sub-section (1) shall render any owner of any private forest liable to conviction for any deviation from any approved working plan if such deviation has been previously sanctioned by the Regional Forest-officer on application made by such owner in that behalf to such officer or by the Appellate Committee on an appeal from an order of the Regional Forest-officer refusing to sanction such deviation presented by the owner to such committee within thirty days from the date of such order.

Vesting of forest in a Regional Forest-officer.

6. Notwithstanding anything contained in section 3 and in sub-section (2) of section 5, if the Provincial Government is satisfied that the conservation of any private forest in a notified area should not be left to the owner thereof, the Provincial Government may by a notification specifying the reasons for so doing direct that the control of such forest shall be vested in such Regional Forest-officer for such period as may be specified in the notification :

Provided that no such notification shall be issued until—

(a) the Regional Forest-officer has by notice in writing called upon the owner of such forest to show cause before the Appellate Committee within such period as may be specified in such notice why the control of such forest should not be so vested, and

7. (1) Subject to rules made under this Act loans may be granted on the recommendation of the Appellate Committee by such officer as may be empowered in this behalf by the Provincial Government to any owner of a controlled forest or a vested forest who in the opinion of the Appellate Committee is likely to suffer unduly owing to any temporary reduction of his income resulting from any action taken under section 3 or sub-section (2) of section 5 or section 6.

(a) from the borrower—as if they were arrears of land-revenue due by him, or

(b) out of the controlled forest or the vested forest of which the borrower was the owner at the time the loan was granted—as if they were arrears of land-revenue due in respect of such forest :

Provided that no proceeding in respect of any such forest under clause (b) shall affect any interest in that forest which existed before the date of the order granting the loan other than the interest of the borrower and of mortgagees of, or persons having charges on, that interest.

The Bengal Private Forests Bill, 1944.

(Clauses 8, 9.)

Amalgamation of two or more vested forests under one working plan.

8. (*1*) If a Regional Forest-officer is of the opinion that it is impossible otherwise to secure the conservation of two or more forests, belonging to different owners, of which the control has been vested in him by a notification under sub-section (*2*) of section 5 or under section 6, he may record an order that such forests shall be managed under one working plan as if they all belonged to one owner, and shall cause a copy of such order to be served in the prescribed manner on the owner of each such forest.

(*2*) The Regional Forest-officer may at any time by order in writing rescind or modify an order passed by him under sub-section (*1*) and a copy of every order passed under this sub-section shall be served in the prescribed manner on the owner of each such forest.

(*3*) Any owner or other person interested in any such forests may, within thirty days from the date on which the copy of any order passed under sub-section (*1*) or sub-section (*2*) is served on him, appeal against such order to the Appellate Committee and the decision of the Appellate Committee on such appeal shall be final.

Afforestation of land adjoining a forest.

9. (*1*) The Provincial Government may, if it is satisfied on application made by the owner of a controlled forest or by the Regional Forest-officer in whom the control of a private forest is vested under this Act that any land adjoining such forest has not been cultivated during the three years immediately preceding the year in which such application is made and that such land is suitable for afforestation, by notification announce its intention to declare such land to be liable to be made over to the owner of such controlled forest or vested forest, as the case may be.

(*2*) Every notification issued under sub-section (*1*) shall specify a period within which objections to the proposed declaration may be submitted by any person interested in such land to the Appellate Committee and a copy of every such notification shall be served in the prescribed manner on the person entitled to cultivate such land.

(*3*) After the expiry of the period so specified in a notification issued under sub-section (*1*), the Appellate Committee shall hear the objections (if any) submitted by the person entitled to cultivate such land or any other person interested in such land and any evidence which any such person may produce in support of the same and forward the objections so submitted and its opinion thereon to the Provincial Government.

(*4*) If, after considering the objections and the opinion of the Appellate Committee forwarded under sub-section (*3*), the Provincial Government is of opinion that such land should be declared to be liable to be made over to the owner of the controlled or vested forest referred to in sub-section (*1*), the Provincial Government shall issue a notification—

(*a*) declaring such land to be liable to be made over to the owner of such forest to be specified in the notification,

(*b*) specifying as nearly as possible the situation and limits of such land, and

(*c*) appointing a Forest Settlement-officer to determine, subject to any rules made under this Act, by an order in writing—

(*i*) what rights in or over such land shall be extinguished, and

(*ii*) what rent, if any, shall be payable by the owner of such forest to any landlord of such land.

(*5*) When a notification has been issued under sub-section (*4*), there shall be paid compensation to every person whose rights as specified by the Forest Settlement-officer under sub-clause (*i*) of clause (*c*) of sub-section (*4*) will be extinguished and the amount of such compensation shall be determined, subject to any rules made under this Act, in the manner and in accordance with the principles hereinafter set out, that is to say—

(*i*) when the amount of compensation can be fixed by the Forest Settlement-officer appointed under clause (*c*) of sub-section (*4*) by agreement, it shall be paid in accordance with such agreement;

(*ii*) where no such agreement can be reached, the Provincial Government shall appoint as arbitrator a person who has exercised the powers of a District Judge in Bengal or who possesses such qualifications as are normally required for appointment to the post of District Judge in Bengal;

The Bengal Private Forests Bill, 1944.

(Clause 10.)

(*iii*) at the commencement of the proceedings before the arbitrator the owner of the forest or the Regional Forest-officer by whom the compensation is payable and the person to be compensated shall state what in their respective opinions is a fair amount of compensation ;

(*6*) The amount of compensation determined under sub-section (*5*) shall be paid in the prescribed manner in the case where the notification under sub-section (*1*) was issued on the application of the owner of a controlled forest by such owner and in the case where such notification was issued on the application of a Regional Forest-officer by such officer out of the profits of the vested forest adjoining such land to the person entitled to such compensation and on payment of such compensation the land shall be made over by the Forest Settlement-officer appointed under clause (*c*) of sub-section (*4*) to the owner of the controlled or vested forest specified in the notification issued under that sub-section and shall thereupon vest in such owner and all rights in or over such land specified by the said officer under sub-clause (*i*) of the said clause shall with effect from the date on which such land is so made over be extinguished.

(*7*) When a land is made over under sub-section (*6*) to the owner of a forest, it shall with effect from the date on which it is so made over be deemed to be a private forest.

(*9*) When any such land is made over under sub-section (*6*) to the owner of a controlled forest which adjoins such land, the Regional Forest-officer may, by an order in writing, a copy of which shall be served on such owner in the prescribed manner, either direct that the approved working plan in respect of such controlled forest shall be deemed to be the working plan approved for such land under sub-section (*5*) of section 3 or require such owner to prepare in the prescribed manner and submit within the period to be mentioned in such order to such officer a working plan in respect of such land.

(*10*) Where the owner of a controlled forest is required under sub-section (*9*) to prepare and submit a working plan in respect of the land made over to him under sub-section (*6*), the provisions of sub-sections (*2*) to (*7*) of section 3 shall apply to the approval of a working plan in respect of such land and to the working plan approved under this section.

(2) Such cess shall be so calculated as to yield a sum not greater than a sum sufficient to meet the cost of the Regional Forest-officer and of his staff including the cost incurred in connection with their work to be determined in the prescribed manner.

(3) If the Regional Forest-officer or his staff does any work in connection with a Government forest, a proportionate deduction shall be made from the cost of such Regional Forest-officer and of his staff before the cess is calculated under sub-section (2).

The Bengal Private Forests Bill, 1944.

(Clauses 18—21.)

(*b*) a working plan has been approved in respect of such forest in accordance with the provisions referred to in sub-section (*2*) :

Provided further that no such order shall be passed regarding a forest in respect of which there subsists an order passed under sub-section (*1*) of section 8, unless the owners of all the forests, in respect of which the order under the said sub-section was passed, have satisfied the Appellate Committee that there will be no undue risk of detriment to the conservation of any of such forests, if the control of the said forest ceases to be vested in the Regional Forest-officer.

XVI of 1927.

STATEMENT OF OBJECTS AND REASONS.

Owing to the progressive denudation of forests in West Bengal by tenants and private owners, soil erosion has been going on on a considerable scale making large areas of land bare and unproductive. The destruction of the forests has also been rendering West Bengal as a whole more liable to floods and drought. Moreover, denudation of the forests has endangered the supply of timber and firewood for local consumption. In Resolution No. 14670-For., dated the 25th July, 1938, a representative Committee consisting of officials and non-officials was appointed by Government to examine this alarming situation and to suggest remedial measures. The area of the enquiry comprised the districts of Bankura, Birbhum, Burdwan and Midnapore. The Committee submitted an illuminating report after elaborate investigation. Copy of this report has already been supplied to the members of the Legislative Assembly.

2. Government have given their most careful and anxious consideration to the findings of the Committee and have come to the conclusion that legislation on the lines recommended by the Committee is indispensable in order to protect the larger interests of the community and at the same time to confer permanent benefits on the private owners by providing for the conservation and improvement of their forests and afforestation of waste lands. A brief indication of the principal features of the proposed legislation is given below.

3. The central principle in the proposed legislation is that every owner of a private forest in a notified area will be required to follow a definite working plan as has been found to be essential for the scientific management of forests in all parts of the world. A working plan means a written scheme of management for controlling the treatment of a forest.

It is not practicable for each and every individual owner to employ on his own account the highly paid expert staff necessary to prepare and operate properly the working plan required for his forest and in such cases the Regional Forest-officers and their staff employed by Government will render expert services. A Regional Forest-officer would be responsible for approving and modifying working plans and for preparing them in case of the owner's failure, an appeal lying to an Appellate Committee to settle disputes in respect thereof between the Regional Forest-officer and the owner. The Appellate Committee will be composed of the Collector of the district as the Chairman and two other members, viz., a Forest-officer and an owner of a private forest, to be selected by Government.

Those forests which are managed well will be left to the management of the owners subject to the obligation of following the working plan approved by the Regional Forest-officer. These will be termed "controlled forests".

The management of private forests will be taken over by Government and vested in a Regional Forest-officer in the following cases :—

(1) As a penalty for violating the working plan, subject to the recommendation of the Appellate Committee.

(2) When Government are satisfied that the conservation of any forest in a notified area should not be left to the owner, that is, in the case of small owners who have not the means to manage their forests properly. This also will be subject to the recommendation of the Appellate Committee.

(3) If it appears from the report of a Regional Forest-officer that any waste land is suitable for afforestation and that the owner is unwilling or unable to cultivate it either with agricultural crops or with grass to the satisfaction of such officer or to afforest it, the Government may by a notification direct the control of such land to be vested in a Regional Forest-officer for the purpose of afforestation for a period to be stated in the notification. The owners of the lands in question will be heard by the Appellate Committee and the recommendations of the Committee will be considered by Government before issuing the notification for taking over the lands for afforestation.

The forests of which management are taken over by Government will be termed "vested forests". Provision is made for the amalgamation of several "vested" forests under one working plan for economy in management.

After the expiry of 15 years under Government management a vested forest may be restored to the owner on his satisfying the Appellate Committee that there will be no undue risk of detriment to its conservation. In any case a vested forest will be handed back to the owner as a matter of course after 30 years.

Provision has been made for the grant of loans to any owner of a controlled forest or of a vested forest who in the opinion of the Appellate Committee is likely to suffer unduly owing to any temporary reduction of his income which may result from the adoption of a working plan.

The cost of Regional staff for the first ten years will be borne by Government and afterwards a cess will be levied to cover it. It has been estimated that if all the forests in Western Bengal paid cess, the incidence would be 1 to 1½ annas per acre per annum. Exemption from the payment of cess will be made in deserving cases.

The existing sections 35, 36, 37 and 38 of the Indian Forest Act, 1927, have been repealed and provisions similar to those contained in the existing section 38 have been included in the proposed Bill to enable Government to take over forests and waste lands at the request of the owners for their management as vested forests.

NOTE.—In addition to the details as required above, full information should be given under the heads shown on the reverse.

In addition to the details required on the reverse, clear information should be given below under the following heads:—

(a) If the ordinary surplus is insufficient to meet the charge of the proposed loan, the particular steps which the municipality has taken, or has agreed to take, in order to make good the deficiency.

(a) Not sufficient. General revision of assessment will take effect from 1st April 1945 and some increase in revenue is expected.

(b) The reserve of taxation or other possible means of increase in the revenues of the municipality. The rates at which each of the taxes mentioned in column 12 on the reverse are levied, other than tax on persons, should be stated here.

(b) The holding rate is levied at $6\frac{1}{4}$ per cent. against a maximum of 10 per cent. and the conservancy rate is levied at $4\frac{11}{16}$ per cent. in place of a maximum of 7 per cent. and the water and lighting taxes at $1\frac{9}{16}$ per cent. and $1\frac{9}{16}$ per cent. in place of maximum rate of $7\frac{1}{2}$ per cent. and 3 per cent., respectively. There is, therefore, a reserve of taxation in the holding rate to the extent of $3\frac{3}{4}$ per cent. in the conservancy rate to the extent of $3\frac{5}{16}$ per cent. in the water rate to the extent of $5\frac{15}{16}$ per cent. and in the lighting rate $1\frac{7}{16}$ per cent. aggregating $13\frac{7}{16}$ per cent.

(c) A statement of all outstanding loans specifying, in respect of each loan, the date when taken, the purpose (very briefly), the amount, the annual charges involved, and the amount still payable.

(c) Nil.

(d) Any explanations in regard to receipts and expenditure to show the true financial position of the municipality when such position is otherwise than the ordinary surplus would indicate.

(d) Explanation given in the remarks column.

2. Amendment of section 2, Act IV of 1936.—In section 2 of the Payment of Wages Act, 1936 (hereinafter referred to as the said Act), for clause (vi) the following clause shall be substituted, namely:—

'(vi) "wages" means all remuneration, capable of being expressed in terms of money, earned under the terms of his contract of employment, express or implied, by an employed person in respect of his employment or of work done in such employment, and includes any sum earned as overtime pay, bonus or additional remuneration for increased output, or any other additional remuneration of the nature aforesaid, and any sum payable to such person to counteract abnormal economic conditions or by reason of the termination of his employment, but does not include—

(b) any contribution paid by the employer to any pension fund or provident fund,

(c) any travelling allowance or the value of any travelling concession,

(d) any sum paid to the employed person to defray special expenses entailed on him by the nature of his employment,

(e) any gratuity payable on discharge.'

3. Amendment of section 5, Act IV of 1936.—In section 5 of the said Act,—

(a) for sub-section (1) the following sub-section shall be substituted, namely:—

"(1) The wages of every employed person shall be paid before the expiry of the tenth day after the last day of the wage-period in respect of which the wages are payable.";

(m) deductions specially authorised by the Provincial Government for a purpose beneficial to the employed person.";

(b) after sub-section (2) the following sub-sections shall be added, namely:—

(4) Where an employed person is required to perform a class of employment involving a standard of skill or responsibility lower than that involved in the employment in which he is employed for the time being, any diminution in wages by reason of such lower standard of skill or responsibility shall be deemed not to be a deduction from wages for the purposes of this Act.

8. Amendment of section 17, Act IV of 1936.—In clause (b) of sub-section (1) of section 17 of the said Act, after the word "by" the words "an Inspector under this Act or" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

The Payment of Wages Act, 1936, when passed, was recognised to be an experimental piece of legislation. During its working a number of defects and difficulties have come to notice. While many of them can be left to be dealt with by comprehensive legislation at a later date, it is considered necessary to remove a few even during war time and the Bill seeks to achieve this object.

NEW DELHI;

Notes on Clauses.

Clause 2.—Definition of "wages".—The definition of "wages" in the existing Act has given rise to much difficulty in interpretation.

The phrase "whether conditionally upon the regular attendance, good work or conduct or other behaviour of the person employed, or otherwise" has led to the impression that an employed person is entitled to full wages irrespective of the stipulated outturn. This was not the intention and it is proposed to omit this altogether, at the same time making it clear that the "wages" have to be earned under the contract of employment.

The revised definition also gets over another difficulty. Previously it was not clear if wages under a profit-sharing scheme which could not be calculated until after profits were known, had none the less to be paid within the "wage period". This practical difficulty is now sought to be overcome.

Doubts were expressed whether allowances of the kind given against increased cost of living formed part of 'wages'. The revised definition specially includes such allowances.

Clause 3—Amendment of section 5.—The linking of the date of payment with the number of employees has caused difficulties. It is affected by factories working either single or double shifts or by a slight change in the number of employees. The main object of the Act is to ensure that wages are paid regularly and this will still be accomplished if the period is uniformly fixed at 10 days as now proposed.

The reference to 'working' day does not adequately cover cases of seasonal factories or factories that close down. The second "working day' may be after the lapse of several months or may never occur. At the same time it is not always practicable, for instance in railway employment, to ensure payment in so short a time as two days.

It is accordingly proposed to substitute the words 'second working' by the word 'third' in sub-section (2) of section 5.

Clause 4.—Some judicial decisions on questions of stoppage of increments or reductions, etc., have led to difficulties. The Sind Chief Court held some time ago that the temporary reduction of an employee from one step in an incremental scale to another amounted to a 'deduction' within the meaning of the Act. Doubts have also been expressed whether reductions, demotions, etc., by way of disciplinary measures amounted to 'deductions'.

The amendments seek to make the position clearer and provide as follows:—

(a) Where there is an incremental scale, a stoppage of increment and reduction in the incremental scale as disciplinary measures are authorised, but the latter may only be made after notice for such period as is required under the contract of employment for the termination of employment.

(b) A diminution of wages by reason of requirement to perform work involving a standard of skill or responsibility lower than that in the previous work, is not a 'deduction'.

Clause 5—Amendment of sub-section (7) of section 8.—Acts or omissions may not be detected for some time after their commission. The present provision requiring that no fine shall be recovered after the expiry of sixty days from the date of the act or commission, therefore, becomes sometimes impracticable. It is accordingly proposed that the time should count from the date of detection of the act or omission.

Clause 8—Amendment of section 17.—It is considered necessary to empower an Inspector in some cases to go in appeal against an adverse decision.

NOTE.—Since the 1st January 1929 the datum of all gauges has been finally altered to refer to the Bengal Public Works Department datum which is 6·25 feet all reduced levels recorded since each gauge was established have been prepared.

*The zero of the Buxar gauge has been checked from the G. T. S. Bench marks Nos. 125 and 126 on line 70K and found to be 169·91 feet above the Bengal

†On and from 1st January 1931, high water level and low water level readings are shown at Swarupganj.

(a) The value of gauge at the station was 0·00 foot from 1st to 13th October 1943 ; +9·00 feet from 14th to 27th October 1943 and +4·20 feet from 23rd to 1943 = 62·12/71·62 feet and from 23rd to 31st October 1943 = 65·26/69· 6 feet.

19. The Chairman shall, not less than ten days before the date of the election, publish a revised list of candidates in the same manner as the original list, containing all the alterations and amendments made in such original list, by the order of the Magistrate under order 18 and by the withdrawals of candidates under order 16. 20. When the number of candidates for election in a municipality which has not been divided into wards, or in any ward of a municipality is no greater than the number of vacancies, such candidates shall be deemed to be elected. If the number of candidates exceeds the number of vacancies, a poll shall be held.

21. (*1*) The poll shall be held at such time and at such place or places as the Commissioners at a meeting, or with their approval, the Chairman may determine:

Provided that, where it is considered necessary, separate arrangements may be made for the recording of votes by female voters.

(*4*) The poll of a special ward shall be held at the same time and at the same places as the polls of the ward or wards which constitute it.

22. After the second hour mentioned in the notice referred to in order 21 no voter shall be admitted within the building or enclosure within which the election proceedings are being held, but the votes of all duly registered voters who are already within the building or enclosure shall be recorded.

23. Each voter shall be entitled to vote for the ward and for the special ward in respect of which his name has been registered, and for no other, and to give as many votes as there are vacancies for such ward and special ward:

Provided that, where the municipality has not been divided into wards, each voter shall be entitled to vote for as many candidates as there are vacancies in the entire number of Commissioners:

Provided also that, he shall not give more than one vote on the same voting paper to any one candidate.

24. The Commissioners at a meeting shall appoint a polling officer, who is neither himself a candidate for election nor the agent of a candidate, to preside at the election for each ward, or, in the case of a municipality not divided into wards, at each polling centre. When the number of voters in any ward, or in a municipality, is large, or where separate arrangements are found to be necessary for female voters, the Commissioners at a meeting, or with their approval the Chairman, may provide more than one polling centre for such ward or municipality; and in that case the Commissioners at a meeting shall appoint a polling officer for each such centre and shall cause a notice to be published showing the names and the serial numbers, as given in the Final Electoral Roll, of persons whose votes will be recorded at any specified polling centre in the ward or the municipality. If the polling officer for any reason fail to attend, the Chairman shall appoint another fit and proper person, who is not himself a candidate, or the agent of a candidate, for election, to take his place. The polling officer shall be assisted by a committee, hereafter referred to as the election committee, consisting of not less than three and not more than five rate-payers of the ward or the municipality, nominated by the Commissioners at a meeting and not themselves candidates or agents of candidates for election. If any member of such committee fails to attend, his place may be taken by another rate-payer, not being himself a candidate for election, or the agent of a candidate, selected by the polling officer.

25. On the morning of the election day the polling officer shall be supplied with a sealed ballot-box provided with an aperture for receipt of voting papers, a copy of the Final Electoral Roll, and a bound book or books of voting papers serially numbered in foil and counterfoil, one voting paper for each voter entered in the Final Electoral Roll.

For use in connection with the election in the special ward, he shall also be supplied with a special ballot-box of a distinctive colour and a bound book or books of special voting papers of the same colour as the ballot-box.

26. The voting paper shall be printed in English, or both in English and Bengali, in Form D annexed to these rules. The names of candidates in English shall be in alphabetical order. When the voting paper is printed in both the languages the name of a candidate in Bengali shall be printed below that in English in each case.

27. (*1*) On the day of the election the polling officer shall admit to the outer compartment the candidates and such agents as may be selected by the candidates, to assist in the identification of voters, provided that there shall be present at one time, in addition to the candidates, not more than one agent of each candidate.

(2) Only voters, members of the election committee and such other persons (if any) as the polling officer may by special directions admit, shall be allowed to enter the inner compartment.

(3) No candidate, nor the agent of any candidate, shall be admitted into the inner compartment.

(4) The polling officer shall regulate the number of voters to be admitted at any one time into either the inner or outer compartment.

28. The candidates and their agents shall not speak to or address any intending voter in the polling booth, but may submit to the polling officer objections to a voter on any of the following four grounds:—

(1) That his name is not on the Final Electoral Roll of the ward or of the municipality in respect of which the election is being held.

(2) That his claim to be a certain voter shown on the Final Electoral Roll is false.

(3) That he has already voted.

(4) (Where there is more than one polling centre in a ward or a municipality) that under order 24 he is not entitled to record his vote at the polling centre, in respect of which the objection is raised.

29. The procedure for recording each voter's vote shall be as follows:—

(i) There shall be no voting by proxy.

(ii) As each intending voter enters the outer compartment, his name and his number in the Final Electoral Roll shall be called out, so that everybody present can hear them.

(iii) No objection to a voter shall be entertained except on the grounds mentioned in order 28.

(iv) Such objection shall be summarily decided by the polling officer, who may for this purpose obtain such evidence as may be available on the spot.

(v) If after taking such evidence the polling officer is satisfied that the voter is entitled to vote, he shall hand him the foil of a voting paper for the ward and for the special ward respectively and allow him to proceed to vote.

(vi) The number of the voter in the Final Electoral Roll shall be marked on the counterfoils of the voting papers handed to him.

(vii) The voter on receiving the voting papers shall forthwith be directed by the polling officer or other person (not being a candidate or his agent), deputed by the polling officer for this purpose, to the place set apart for the purpose within the inner compartment and shall there mark a cross for each vote that he gives against the name of the candidate or candidates for whom he intends to vote. He shall then fold the voting papers so as to conceal his vote and shall put each voting paper, into the appropriate ballot-box of the colour corresponding to the voting paper. He shall vote without undue delay, and shall quit the polling station as soon as he has put the voting papers into the ballot-boxes.

(viii) If the voter is unable to read the voting paper or to make a cross thereon, the polling officer shall mark the vote on the voting paper according to the direction of the voter. The voter shall then put the voting paper folded up into the ballot-box.

30. It shall be the duty of the polling officer and the election committee to see that votes are recorded with the utmost secrecy, that the number on the voting paper handed over to a voter is not divulged to any candidate or his agent, that only such persons as may be admitted to either compartment under these orders are admitted thereto, and that persons, who have recorded their votes, or against whom objections have been heard, are allowed leave immediately. It shall also be their duty to see that these orders and any special directions given by the polling officer thereunder are strictly observed.

31. (1) On the conclusion of the poll the ballot-box shall be opened and the votes scrutinised and counted in the presence of the candidates or their agents by the polling officer with the assistance of the election committee, and the polling officer shall then and there, subject to the provisions of orders 32 and 33, declare the result of the election and report accordingly to the Chairman, if he is not himself the Chairman.

(2) Where there are more polling centres than one in a ward or a municipality the polling officers shall, on conclusion of the poll, send their ballot-boxes locked and sealed with the municipal seal together with the books and counterfoils and unused foils of voting papers properly sealed up, to the polling officer of one of the wards or municipal centres nominated by the Chairman in this behalf as chief polling officer of the ward or the municipality. The chief polling officer of the ward or the municipality shall forthwith proceed to open the ballot-boxes, scrutinise and count the votes and shall declare the result of the election and submit the report in the manner prescribed in clause (1) of this order.

(3) The procedure prescribed in order 31(2) shall apply to polls in special wards.

32. Any voting paper which is not duly marked, or on which more crosses are placed than there are vacancies, or on which a cross (or mark) is placed in such manner as to make it doubtful to which candidate the vote has been given, or on which any mark is made by which the voter may afterwards be identified, shall be invalid.

33. If there be an equality of votes for the same vacancy and if the number of vacancies does not admit of all the candidates who have obtained an equality of votes being elected, the selection of one of the candidates shall be made by lot to be drawn by the polling officer or chief polling officer, as the case may be, in such manner as he may determine.

34. In the event of any candidate being elected for more than one ward, he shall, within five days from the date of the election, declare which ward he will represent; and if he fails to make such declaration, the Chairman shall forthwith declare the ward which such candidate shall represent, and in either case such candidate shall be held to be elected in the ward in respect of which either of such declarations has been made, and in every other ward in which the said candidate has been returned the result of the election shall be determined as if no votes had been recorded for him.

Provided that, if there is no other candidate for whom votes have been recorded to fill the vacancy thus caused, a fresh election shall be held.

35. When the voting papers have been scrutinised and counted, the polling officer or the chief polling officer, as the case may be, shall forthwith replace them in the ballot-box from which they were taken. He shall also seal up the books of counterfoils and unused foils of voting papers. If he is not himself the Chairman, he shall make them over with the ballot-box to the Chairman to be kept in safe custody until the books and the voting papers are destroyed under order 36.

36. On the expiry of thirty days from the date of the declaration of the result of the election, the voting papers in the ballot-box and the sealed books containing unused voting papers and counterfoils in the Chairman's custody, shall be destroyed in the presence of such municipal Commissioner or officer as the Commissioners at a meeting may appoint for this purpose.

37. The list of duly returned candidates for the whole municipality shall be forwarded by the Chairman through the District Magistrate to the Commissioner of the Division for publication by him in the *Calcutta Gazette*.

38. If, in any case, such a course appears to the local Government to be necessary, it may direct that the Magistrate shall perform all or any of the duties assigned in these orders to the Chairman or the Commissioners in meeting.

39. No person having directly or indirectly by himself or his partner any share or interest in any contract or employment with, by or on behalf of the Commissioners, or holding any office of profit under the Commissioners, shall, directly or indirectly, engage in canvassing for votes, or otherwise assist in the election of any candidate otherwise than by giving his own vote.

40. All costs incurred in the preparation, printing and publication of the Electoral Rolls, the publication of notices, the holding of elections, or taking any other necessary action under these rules, shall be payable by the Commissioners out of the municipal fund.

1. *Short title and commencement.*—(1) These Rules may be called the Reciprocity (South Africa) Rules, 1944.

(2) They shall come into force at once.

2. *Definitions.*—In these Rules, unless there is anything repugnant in the subject or context,—

(a) "the Act" means the Reciprocity (Amendment) Act, 1943.

(b) "prohibited immigrant" means any person not being of Indian origin who is domiciled in the Union of South Africa, other than—

(i) any person duly appointed by His Majesty or by the Government of the Union of South Africa to exercise diplomatic functions anywhere or otherwise to represent that Government in India, and the family, staff and servants of such person;

(ii) any officer or member of the crew of any vessel for the time being used commercially for the carriage of passengers or cargo, while employed in his duties as such;

(iii) any member of the Armed Forces of His Majesty and the wife and legitimate children of such member, until the expiry of six months after the termination of the present hostilities;

(iv) any person born in British India before the commencement of the Act;

(v) any person born anywhere after the commencement of the Act whose parents were at the time of his birth domiciled in British India, provided that such person if born outside British India is brought into British India within three years from the date of his birth;

(vi) the wife and legitimate children, who have been proved to be so to the satisfaction of the Immigration Commissioner or Officer concerned, of any person described in sub-clause (iv) or sub-clause (v), provided that any such child seeking to enter British India after the commencement of these Rules shall be accompanied by his mother, unless she is deceased or already resident in British India at the time;

(c) "vessel" includes aircraft.

3. *Bar on entry into British India.*—Save as provided in these Rules no prohibited immigrant shall enter British India.

4. *Deportation.*—The Central Government may by order in writing direct any prohibited immigrant for the time being resident in British India to leave British India within such time as may be specified in the order.

5. *Licence to trade restricted.*—(1) Except with the permission in writing previously obtained of the Central Government, no prohibited immigrant may obtain any licence or permit to trade required by or under any law for the time being in force.

(2) Any such licence or permit obtained before the commencement of these Rules shall on the expiry of three months from the commencement of these Rules become void unless within that period permission in respect thereof has been obtained under sub-rule (1).

6. *Immigration Commissioners and Immigration Officers.*—(1) The Central Government may appoint such persons as it thinks fit to be Immigration Commissioners or Immigration Officers for the purposes of these Rules within such local limits as it may respectively assign to them.

(2) An Immigration Commissioner shall have general control over all Immigration Officers within the local limits of his jurisdiction, and may exercise all the powers of an Immigration Officer under these Rules. He shall be officially subordinate to such authority as the Central Government may specify in this behalf.

(3) Every Immigration Commissioner and Immigration Officer shall be deemed to be a public servant within the meaning of the Indian Penal Code.

7. *Procedure at ports in relation to prohibited immigrants.*—(1) If after inspection of the returns required under the Registration of Foreigners Rules, 1939, or otherwise, and after giving the person concerned a reasonable opportunity of representing that he is not a prohibited immigrant, the Immigration Officer is of opinion that any person is a prohibited immigrant, he may, in lieu of proceeding against such person for a contravention of rule 3, by order in writing—

(a) require such person to leave British India by the same vessel on which he arrived, and not to leave the vessel (or in the case of arrival by aircraft, the precincts of the airport) pending the departure of the vessel; or

(b) if it appears to the Immigration Officer on the representation of the master of the vessel that the person should be required to depart from British India otherwise than on the vessel on which he

arrived, and if the master of the vessel deposits such sum not exceeding one thousand rupees as the Immigration Officer considers necessary for covering the expenses incurred in maintaining the person and removing him from British India, cause the person to be removed in custody from the vessel and detained in such place as may be convenient pending the departure of a suitable vessel on which he may be placed:

Provided that if the person undertakes in writing to comply with such conditions as the Immigration Officer may think fit to impose (which shall include reporting to the Immigration Officer in person at least once in every twenty-four hours), and if the Immigration Officer is satisfied that the person has sufficient means at his immediate disposal to meet the expense of his maintenance and accommodation, the Immigration Officer may furnish the person with a permit authorising him to make his own arrangements for his stay in the port pending the departure of the vessel on which he is to leave British India.

(2) On taking any action under sub-rule (1), the Immigration Officer shall inform the person in writing of his rights of appeal under sub-rule (1) of rule 11 and shall also furnish the master of the vessel with a copy of his order.

8. *Procedure in doubtful cases.*—(1) If any person on arrival in British India fails to satisfy the Immigration Officer that he is not a prohibited immigrant, and if such person deposits such sum not exceeding one thousand rupees as the Immigration Officer may require as security for the observance of the hereinafter mentioned conditions (which sum such person shall agree shall be liable to be forfeited to His Majesty if the said person fails to observe any of the said conditions), the Immigration Officer may, in lieu of proceeding under rule 7, grant such person a permit in Form A permitting him to enter British India and to remain therein for such period not exceeding one year as may be specified in the permit, subject to observance of the conditions set out in the permit.

(2) Upon issuing a permit under sub-rule (1), the Immigration Officer shall make such further enquiries as he may consider necessary and shall, as soon as possible and in any event before the expiry of the period specified in the permit, decide whether or not the said person is a prohibited immigrant. He shall forthwith inform the person of such decision.

(3) If such decision is to the effect that the person is a prohibited immigrant, the Immigration Officer shall also inform him in writing of his rights of appeal under sub-rule (1) of rule 11 or if such decision is to the effect that the person is not a prohibited immigrant the Immigration Officer shall forthwith issue to the said person a declaration to such effect in Form B and shall return the deposit made in accordance with sub-rule (1).

(4) For the purposes of determining domicile in British India, the period spent in British India, under a permit issued under sub-rule (1) in respect of which a declaration in Form B is subsequently issued shall not be deemed to have been a conditional or temporary residence.

9. *Saving as to mistake, etc.*—(1) No prohibited immigrant shall be exempt from the provisions of these Rules or be allowed to remain in British India by reason only that he had not been informed that he might not enter or remain in British India, or that he had been allowed to enter or remain through oversight or mistake or owing to the fact having been undiscovered that he was a prohibited immigrant.

(2) If it appears to the Immigration Commissioner that a declaration in Form B has by any such reason as aforesaid been erroneously issued to any person, he may, after giving such a person a reasonable opportunity of being heard, cancel the declaration and order the person to surrender it.

10. *Appellate Authorities.*—The Central Government may by notification in the official Gazette constitute in such manner as it may think fit Appellate Authorities for the purposes of these Rules within such local limits as may be specified in the notification.

11. *Appeals.*—(1) Every person against whom any order is passed by the Immigration Commissioner or the Immigration Officer may appeal in writing through the Immigration Commissioner or Immigration Officer, as the case may be, to the Appellate Authority having jurisdiction within three clear days of the order appealed against or in respect of an order passed under clause (a) of sub-rule (1) of rule 7, before the departure of the vessel on which the appellant arrived, whichever is earlier:

Provided that the presentation of an appeal shall not authorise a person to remain in British India in contravention of the order appealed against unless the appellant deposits with the Immigration Officer such sum not exceeding one thousand rupees as the Immigration Officer may consider necessary to meet the expenses of the appellant's maintenance in British India during the pendency of the appeal and of his possible removal from British India thereafter.

(2) Save that the Central Government may review any order of the Appellate Authority which has the effect of causing the removal of any person from British India.

(3) Save as provided in this rule no appeal or application for revision or review shall lie in respect of any order passed under these Rules.

12. *Penalties.*—Whoever—

(a) contravenes the provisions of any of these Rules or of any order made or condition imposed thereunder; or

(b) escapes from any custody or detention in which he is placed under these Rules, or

(c) attempts to commit, or by any act or omission abets or otherwise facilitates the commission of, any offence specified in clause (a) or clause (b) shall be punishable with fine not exceeding one thousand rupees.

13. *Jurisdiction.*—No Court inferior to that of a Presidency Magistrate or a Magistrate of the first class shall try any offence punishable under these Rules, and no Court shall take cognisance of any such offence except upon the complaint of an Immigration Officer.

14. *Exemptions.*—The Central Government may, if it thinks fit,—

(a) by order exempt any person from all or any of the provisions of these Rules;

(b) authorise the issue of a temporary permit to any prohibited immigrant to enter and reside in or to remain in British India or in any specified part thereof or place therein subject to such conditions as the Central Government may, by general or special order, think fit to impose:

Provided that the period of validity of such permit shall not exceed one year, though the permit may from time to time be renewed by order of the Central Government for periods not exceeding one year at any one time:

Provided further that the residence of a prohibited immigrant in British India authorised or permitted under this rule shall not be taken into account in determining whether or not he has acquired a domicile in British India.

15. *Temporary permits for transit.*—If the Immigration Officer is satisfied that a prohibited immigrant has entered British India only for the bonafide purpose of proceeding without interruption to some destination outside British India, he may grant to such prohibited immigrant a temporary permit to enter British India and remain therein for such period as may be necessary for that purpose, subject to any conditions which he may in any particular case think fit to impose.

16. *Certificates of identity.*—(*1*) The Central Government may, if it thinks fit, authorise the Immigration Commissioner to issue a certificate of identity to any person lawfully resident in British India who, desiring to proceed to the Union of South Africa with the intention of returning therefrom, is for any reason apprehensive that he will be unable on returning to British India to prove that he is not a prohibited immigrant.

(*2*) The High Commissioner for India in the Union of South Africa may, if he thinks fit, issue a certificate of identity to any person of Indian origin who, desiring to proceed to British India, is for any reason apprehensive that he will be unable on arrival in British India to prove that he is not a prohibited immigrant.

(*3*) An application for a certificate of identity under this rule shall be made not less than thirty days before the applicant's departure, and where the application is under sub-rule (*1*), through the Immigration Commissioner.

17. *Protection to persons acting under these Rules.*—No suit, prosecution or other legal proceeding shall lie against any person for anything which is in good faith done or intended to be done under these Rules.

18. *Application of other laws not barred.*—The provisions of these Rules shall be in addition to, and not in derogation of, any other law for the time being in force.

19. *Regulations.*—The Central Government may make regulations not inconsistent with the Act or these Rules providing for the procedure to be observed by Appellate Tribunals and for such other incidental or supplementary matters connected with the purposes of these Rules as the Central Government may think expedient.

(*2*) No such application shall be maintainable unless it is accompanied by a report of the Reserve Bank indicating that in the opinion of the Reserve Bank the banking company will be able to pay its debts if the application is granted:

Provided that the Court may, for sufficient reasons, grant relief under this section even if the application is not accompanied by such report.

31. (*b*) that the company has failed to comply with the provisions of section 18 or section 19, and with a notice served upon it under sub-section (*2*) of section 29.

(*2*) Without prejudice to the provisions contained in section 163 of the Indian Companies Act, 1913 (VII of 1913), a banking company shall be deemed to be unable to pay its debts if it has refused to meet any lawful

36. Booked depositors' credits to be deemed proved.—Notwithstanding anything to the contrary contained in section 191 of the Indian Companies Act, 1913 (VII of 1913), the Court shall deem that the amounts shown in the books of a banking company as standing to the credit of depositors are proved without requiring further proof from the depositors concerned unless the official liquidator shows that there is reason for doubting any particular entry.

37. Restriction on voluntary winding up.—Notwithstanding anything to the contrary contained in section 203 of the Indian Companies Act, 1913 (VII of 1913), no banking company may be voluntarily wound up unless the Reserve Bank certifies in writing that the company is able to pay in full all its debts to its creditors as they accrue, and without poejudice to the provisions contained in sections 218 and 220 of that Act, the Court shall, on the application of the Reserve Bank, order the winding up of the company by the Court if at any stage during the voluntary winding up proceedings the company is not able to meet such debts as they accrue.

STATEMENT OF OBJECTS AND REASONS.

The provisions of law relating to banking companies at present form a subsidiary portion of the general law applicable to companies and are contained in Part XA of the Indian Companies Act, 1913. These provisions, which were first introduced in 1936 and which have undergone two subsequent modifications, have proved inadequate and difficult to administer. Moreover while the primary objective of Companies Law is to safeguard the interest of the stock-holder, that of banking legislation should be the protection of the interests of the depositor. It has therefore been felt for some time that separate legislation was necessary for the regulation of banking in India. This need has become the more insistent on acconnt of the considerable development that has taken place in recent years in banking, especially the rapid growth of banking resources and of the number of banks and branches. The enactment of a separate and more detailed Act has in consequence now become imperative. Regard must also be had to the fact that the banking system is likely in the post-war period to be more vulnerable by reason of the great expansion, both quantitatively and relatively, that has taken place in demand deposits, as compared with time deposits, during the war years.

2. The provisions of Part XA of the Indian Companies Act, which part will now be repealed, are incorporated in the Bill with certain modifications and the addition of several new provisions designed to safeguard the interests of depositors and to ensure the development of banking in India on sound lines. The main features of the Bill are as follows:—

(i) A simple definition of banking with the object of limiting the scope of the legislation to institutions in which the funds are deposited primarily to ensure their safety and ready withdrawability;

(ii) Prescription of minimum capital standards;

(iii) Prohibition of trading with a view to eliminating non-banking risks;

(iv) Inclusion in the scope of the legislation of banks incorporated or registered outside British India;

(v) Provision of an expeditious procedure for liquidation;

(vi) Inspection of the books and accounts of a bank by the Reserve Bank when necessary;

(vii) Empowering the Central Government to take action against banks conducting their affairs in a manner detrimental to the interests of the depositors;

(viii) Prescription of a special form of balance sheet and conferring of powers on the Reserve Bank to call for periodical returns.

The expenditure under this head during the period amounted to Rs. 4,20,863 of which Rs. 4,09,527 was recovered. The progressive total expenditure and recovery up to 31st March 1943 were Rs. 5,15,914 and Rs. 4,92,051, respectively, with the nett balance of Rs. 23,863 due from Government. A statement showing the expenditure and recoupment under different schemes of A. R. P. works is given on page 24.

A good portion of the land in the possession of the Trust cannot be regarded as saleable assets, as it is intended ultimately for transfer to the Calcutta Corporation in the shape of streets or open spaces. The total amount of Sterling Loans raised to date is £1,050,000, against which securities in the Sinking Fund Accounts amount, at present valuation, to £646,847, showing an excess of £95,620 over actuarial dues. The total of Rupee Loans raised amounts to Rs. 260 lakhs against which securities in the Sinking Fund Accounts amount, at present valuation, to Rs. 62,84,431, showing an excess of Rs. 3,56,862 over the sum actuarially due.

Office of the Secretary to His Excellency the Governor of Bengal

NOTIFICATION.

No. 598-H.—19th December 1944.—The following is republished for general information:—

OFFICE OF THE PRIVATE SECRETARY TO HIS EXCELLENCY THE VICEROY.

New Delhi, the 6th December 1944.

No. 250-II.—His Excellency the Viceroy has been pleased to award the Indian Police Medal to the following officer:—

BENGAL.

Name of officer and rank.—Babu Rabindra Nath Chatarji, Deputy Superintendent of Police, Mymensingh. Statement of services for which the decoration has been awarded.—On the night of the 1st November 1944, Babu Rabindra Nath Chatarji, Deputy Superintendent of Police, Mymensingh, was on way to pay a surprise visit to the Sub-Treasury Guard at Netrakona when he was informed by a constable that one of the Sub-Treasury Guard constables had run amock and having disarmed the Guards was shooting the passersby. It appears that this constable had gone out of his mind. He had stealthily got possession of all the spare ammunition—both ball and buckshot belonging to the Guard and had then taken each of the two sentries by surprise and disarmed them driving away the rest of the guards. He had then started firing wildly. When the Deputy Superintendent, the Officer-in-charge and the constable appeared in the moonlight in front of the Sub-Treasury, the demented constable fired a round—fortunately buckshot—and hit the Sub-Inspector in five places. The Deputy Superintendent jumped on to the Sub-Treasury verandah and took cover behind a pillar. The constable who was in darkness then fired several shots and advanced towards the Deputy Superintendent who edged round the pillar as the constable advanced. The constable, who did not exactly realise where the Deputy was, fired in the darkness and the Deputy Superintendent who could not see him could hear him breathing. The constable fired another shot in the direction of the Deputy Superintendent who fired four rounds from his revolver in his direction. Three of these took effect and the constable fell in the act of reloading. Rabindra then jumped upon him and snatched away his musket. The constable succumbed to his injuries shortly afterwards. Babu Rabindra Nath Chatarji, who is a young officer of only 2½ years' service, displayed remarkable coolness and courage in a very awkward situation. His gallant action was a very fine example to his subordinates.

This award is made for gallantry under regulation (d) (i) of the Regulations governing the grant of the Indian Police Medal.

E. M. JENKINS, Private Secy.

By order of H. E. the Governor,
A. E. PORTER,
Secretary to the Governor.

PART IV A—Bills introduced in the Bengal Legislative Assembly; Reports of Select Committees presented or to be presented to that Assembly; and Bills published before introduction in that Assembly

GOVERNMENT OF BENGAL.

Legislative Department.

NOTIFICATION.

No. 1173L. — 21st December 1944. — The Governor having been pleased to order, under rule 47 of the Bengal Legislative Assembly Procedure Rules the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE BENGAL DENTISTS (AMENDMENT) BILL, 1944.

A BILL

to amend the Bengal Dentists Act, 1939.

WHEREAS it is expedient to amend the Bengal Dentists Act, 1939, for the purpose and in the manner hereinafter appearing; Ben. Act XII of 1939.

It is hereby enacted as follows:—

Short title. **1.** This Act may be called the Bengal Dentists (Amendment) Act, 1944.

Amendment of section 12 of Bengal Act XII of 1939. **2.** To clause (*b*) of sub-section (*2*) of section 12 of the Bengal Dentists Act, 1939, the words "or within such further time as the Provincial Government may, by general or special order, allow" shall be added.

STATEMENT OF OBJECTS AND REASONS.

Under the provisions of the Bengal Dentists Act, 1939, the Bengal Dental Board was authorised to permit the registration of any person as a dental practitioner, who had been *bona fide* engaged in the practice of dentistry for not less than five years previous to the commencement of the Act, provided he applied for registration within one year from the commencement of the Act. A number of practitioners coming under the abovementioned category did not apply for registration within the time allowed and it is considered desirable to give such practitioners a further opportunity to apply for registration. The Bill seeks to provide that the said practitioners may apply for registration within such time as Government may, by general or special order, allow.

A. R. MUKHERJEA,
Secy. to the Bengal Legis. Assembly.

THE BENGAL STEAMER KHALASIS BILL, 1943.

(As introduced in the Assembly on September 28, 1943.)

A
BILL

to make provisions for the betterment of the condition of steamer khalasis.

WHEREAS it is expedient to provide for better wages and service conditions for khalasis serving on board the steamers navigating in the province of Bengal;

It is hereby enacted as follows :—

1. (*1*) This Act may be called the Bengal Steamer Khalasi Act, 1943.

(*2*) It extends to the whole of Bengal.

(*3*) It shall come into force on such date as the Provincial Government may, by notification in the *Official Gazette*, appoint.

2. In this Act, unless there is anything repugnant in the subject or context—

(*1*) "Khalasi" means and includes the whole staff of the steamer save and except the drivers, serangs and masters and may be divided into following classes :— Tindal, Engine department khalasi, bhandari, mehtar, wheel sukani, oilman, lightman, fireman and manifest clerk.

(*2*) "Salary" means and includes what is paid to the employee by his employer for services rendered by him, payable monthly and as defined in General Clauses Act, 1897. Act X of 1897.

(*3*) "Steamer" means and includes steamships, steam launches, flats, barges, armboats, cargo boats and punsi boats plying in inland waterways.

(*4*) Duties of khalasi would not include the work of a cooly.

3. The minimum salary of the khalasi staff of the steamer shall be as follows:—Fireman, oilman, cassab, wheel sukani, each Rs. 27 per month, lightman, tindal, each Rs. 31 per month, coalman, bhandari, and other khalasis, each Rs. 20 per month and manifest clerk Rs. 33 per month, tally sukani Rs. 29 per month, deck cassab at Rs. 21 per month and wheel sukani Rs. 26 per month.

The Bengal Steamer Khalasis Bill, 1944.

(Clauses 4—10.)

4. The entire staff of the steamers shall be directly under the control of the employer in charge of management of the steamer service and they will be considered servants of the employer with all the privileges, gratuity and pension to which the other staffs are entitled under the rules on completion of 20 years' service.

5. The khalasi staff of the steamers on their completion of one year's service would be entitled to 3 months' leave each and every year in the following terms, viz., one month's leave with full pay and another two months' leave without pay and on the termination of leave they will be allowed to join their old posts.

6. Each and every khalasi would be individually responsible for dereliction of his duties and if as a result thereof the employer suffers any loss, then and in such case the employee would be liable to pay the damages to the employer :

Provided that the said damages shall be deducted from his monthly pay by easy instalments.

7. The khalasi staff shall be entitled to free pass once every year for their inward and outward journeys.

8. In the event of any of employee in the khalasi staff being attacked with small-pox, cholera, or receiving any bodily injury in course of his duties then and in such a case he will be admitted in the hospital by the employer and would remain under his supervision. He will further be allowed sick leave with full pay for the period he remains in the hospital.

9. If any employee in the khalasi staff be permanently or partially disabled on account of injuries received by him while on duty, his claim shall be considered as a claim by the Commissioner under the Workmen's Compensation Act, 1923. Act VIII of 1923.

10. Any breach of the provisions of this Act shall be penalised by a fine of Rs. 500 on a complaint made to any 1st class Magistrate.

STATEMENT OF OBJECTS AND REASONS.

The Bill aims at—

(*a*) Recognition of the khalasis directly by the employer in charge of the management of the steamers navigating in the province of Bengal.

(*b*) Total abolition of the present anomalous practice of leaving the khalasis entirely at the mercy of the masters, serangs and drivers who taking full advantage of their ignorance and economic helplessness exploit them to the fullest possible extent.

(*c*) Fixation of the minimum salary of the khalasis at Rs. 20 per month in addition to usual leave and free pass, etc.

The Bill if enacted into law would appreciably solve the growing unemployment problem of the province as the steamer companies normally require a huge number of khalasis and would improve their standard of living.

Certain conditions are attached to the exercise of the option referred to in (*b*) and certain further conditions govern the determination of "previous year" in respect of a business newly set up, and these are shown in clause (*11*) of section 2 of the Act.

For each source of income for which the previous year does not end on the 31st March, the last date of the previous year should be shown.

3. *Sources of income.*—The following income must also be included in your return under the appropriate head:—

It may be noted that the amount whether reckoned as a portion of Government revenue or otherwise annually paid by one proprietor to another proprietor is different from the malikana receipts mentioned above which are payable by Government to certain proprietors under certain conditions.
